"What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has the ears to hear the sighs and sorrows of men. That is what love looks like." (St. Augustine of Hippo)

But whoever has the world's goods, and sees his brother in need and closes his heart against him, how does the love of God abide in him?

(1 John 3:17)

Instilling hope in disadvantaged children

Instruct them to do good, to be rich in good works, to be generous and ready to share,

(1 Timothy 6:18)

Our Background

The "Nyaatha" Education Endowment Fund was founded in July 2015. It is an initiative of the Assumption Sisters of Eldoret (ASE). Inspired by the merciful and loving works of Blessed Sr. Irene Stefani, the fund adopted the patronage of this hitherto little known catholic nun, fondly known as "Nyaatha" meaning "Mother of mercy", by the people she served in the early 1900s in Nyeri.

Sr. Irene shared the joy of the Good News and consolation of salvation by living among and caring for others, often in very difficult circumstances, especially among the poor, the afflicted and the sick. Yet, she never ceased to smile, thus radiating hope among the hopeless.

The example she set over a century ago continues to be a model of true Christian charity. Sr. Irene was beatified on 23rd May 2015. Her feast day is celebrated on 31st of October.

"I will love charity more than myself" (Blessed Irene Stefani "Nyaatha")

Our Vision»

Instilling hope in disadvantaged children....in the footsteps of Blessed Nyaatha

Our Aim»

The fund aims to provide for the post primary educational needs of disadvantaged boys transitioning from the two institutions run by the ASE; Kwetu Home of Peace (KHOP) and Morning Star Childrens' Centre, as well as disadvantaged girls at risk, brought to its attention.

"Give something, however small, to the one in need. For it is not small to one who has nothing. Neither is it small to God, if we have given what we could." (St. Gregory Nazianzen)

How?

We seek to build an educational foundation for disadvantaged children by mobilizing resources through sincere partnerships with well-wishers and growing the funds by meaningful and appropriate investments, to achieve a growth level that can sustainably finance the educational needs of deserving beneficiaries.

Our Values»

Generosity that arises from **Compassion** for disadvantaged children, guided by **Integrity** and **Fairness** while exercising **Patience** and **Fortitude**.

We cannot all do great things, but we can do small things with great love" (Blessed Mother Teresa)
